

India's tastes growing ISP,ACT Fibernet launches its operations in vizag

Bay News Network, Visakhapatnam, 4/29

Atria Convergence Technologies Pvt. Ltd(ACT) the pioneer of fiber-to-the-home technology and the largest non-telco ISP in India is strongly geared up to consolidate its presence in the market by launching its internet services in Visakhapatnam this month. The announcement was made by company representatives at a press conference held on Tuesday at Hotel Novotel Varun Beach.
