Accepting the award on behalf of the company, Mr. Saurabh Mukherjee, COO, ACT said "We are honoured to receive the Special Leadership Recognition awards from Voice & Data. These recognitions are a testimony of our combined strengths and dedicated hard work. ACT Fibernet has clearly established a marquee as one of the country's most renowned internet service providers which benefits our customers and addresses their evolving needs. We continue to further nurture our already acclaimed best practices and continue to build significant business presence across India."
